CURRENT CHALLENGES

Technique Spotlight—4119 – Patina Effect

This week's technique spotlight revisits how to create a Patina effect as demonstrated in the video created by France Martin ([click here](#)).

Each week I will pick a technique. Find samples using this technique or create one yourself and pin to SUDSOL with the coordinating week number. Pinning to SUDSOL is super easy ([instructions are here](#))! The idea is to have a good selection of samples shared for each week's technique so everyone can benefit from the fantastic ideas. This week's PIN ID is 4119.

What's the WIN part? Each week I'll pick a random pin to reward the person who pinned it with a week of free SUDSOL. Play every week and have a chance to get your SUDSOL membership totally free! You get one entry for every new pin you make. Sorry, re-pinning from items already on SUDSOL doesn't count.

Jeanne Walsh
SUDSOL Technique Coordinator

SUDSOL Design Challenge – SDC 581 – Design with Mercury Glass Acetate

Hey, SUDSOLers! Your design challenge this week is to design with the new mercury glass designer acetate. Be sure to pin your design and tag it with SDC581. Alternatively, you can find examples of this challenge on the internet and pin those. Let's see how many ways we can use this beautiful acetate!

Here is one of the ideas I had right off the bat but Candy Ford beat me to the actual making of the project. Now I will have to CASE her. 😊

Happy designing and pinning,
Sue Erickson, SUDSOL Design Challenge

New PIN to WIN program – Any Halloween Set!

Get ready for the new PIN to WIN program! Each week I will pick a stamp set to focus on and encourage you to participate by finding samples for this stamp set and pinning them to SUDSOL. This week's stamp set is: **Any Halloween Set!**

So go out and find samples shared on the web with each week's stamp set and pin them to SUDSOL! The samples can even be items you've made yourself if you like! The idea is to have a good selection of samples shared for each week's stamp set so everyone can benefit from the fantastic ideas. What's the WIN part? Well, each week I'll pick a random pin to reward the person who pinned it with a week of free SUDSOL. Play every week and have a chance to get your SUDSOL membership totally free! You get one entry for every new pin you make. Sorry, re-pinning from items already on SUDSOL doesn't count.

Question of the Week

There are so many really nice bundles in the Holliday Catalog. Which one is selling the best for you? how have you used it in your classes, workshops etc.?

Please send your response using QOTW as a subject to the [Business Section of the SUDSOL Forum](#).

Get a "BINGO" in One Month to Earn FREE Time On Your Membership! Challenges must be shared in the SUDSOL Gallery (or posted to the Forum). If listed more than once, you can participate in the item multiple times in one month
