Card Base: Scor Card Base at 2 ¼", 2 ½", 5", 5 ½" stay on long side and flip piece so you can scor on the opposite end at 2 ¼" and 2 ½" Fold for Valley, Mountain, Valley. The Mountain is the center pop out piece of your card.

Emboss the 4" x 2 ¼" Pool Party Pieces with the Raindrop Embossing Folder.

Adhere two of the DSP panels to the outside of the card. Adhere the other two DSP panels to the inside of the card. Now adhere your embossed pieces to the inside of the card. Adhere the 5/8" x 4" strip to the center part of your card.

With Momento Ink, stamp Bunny & Clouds on Basic White scraps, color with Stampin Blends and die cut.

Using Lost Lagoon ink, stamp raindrops onto the 3 x 3 piece of DSP (there are a couple of pages in the DSP with faded colors that look like sky). Adhere this onto the 3 ¼ x 3 ¼" piece of Fresh Freesia. Using dimensionals attach the Bunny and Clouds.

Place a few dimensionals down the center strip and adhere your bunny square.

Stamp the sentiment on the 2 ¼" x 4" Basic White and attach it to a back panel of the card base. So cute!!!
